1. General Impressions of Faculty/Speakers

1 2 3 4 5 6
Very poor faculty Very superior faculty

Comments: Absolutely necessary information for me as a staff attorney! (Especially as ~~an~~^{new to} attorney in the sheriff's office) Fantastic program and speakers!

2. What Were:

(a) The major strengths of the program?

Having a place on internet to go to to learn about these issues. Thank you for the services you provide!

(b) The major weaknesses of the program? That Plitt's presentations were not easily followed in the book. People want to use written materials + make notes but when you are trying to listen and find where to take notes in outline on the book. Should indicate if he is referring to book or powerpt handout. Camie's presentations not handed out.

3. Which Topics Do You Feel Should Have Been Added to or Deleted From the Program?

- Maybe a little less on classification...

One's in book old (2009 etc.)

trying to figure out where he is in the outline + then filling in the missing info. others had issue too.

Emory A. Plitt, Jr. (Monday, Tuesday) Bel Air, MD	Content A	Quality B
<ul style="list-style-type: none"> • Would be great if lecture followed outline (loosely followed) ^{very} distracting. Very knowledgeable speaker though. Example: when going through module one, the issues he covers are sometimes listed, sometimes not + he doesn't go in order of how listed. • B because of issue above. • On page 56-2, when Plitt talked about these issues, powerpt didn't match page. Only reason I mention is because it is distracting. • Same issue day 2. (I was with a group of 4 - all we all agreed.) 		
Don Leach (Monday) Lexington, KY	Content A	Quality A

- Great that his presentation matched what the ppt. slides said!
- Very good presenter - loved the videos. Useful info
- Loved the part where he corrected the guy who blamed female issues on menstrual cycles, when issue was classification. Classic!

Carrie Hill (Tuesday, Wednesday) Maple Grove, MN	Content A	Quality B
---	--------------	--------------

because of below they

- Again, would be good for outline to match presentation
- I appreciate all the up-to-date info. Would be great if handouts were updated though. Surely we have page # for Beard v Banks by now! (So I wonder if powerpt that old?)
- Wsh presentation was included in the materials!

Other Remarks (If Any):

- Opening Page in provided book should be updated under "Legal Center" to include the current reports + journals. (Old ones listed.) Really 5 now.
- Carrie absolutely wonderful resource for attorneys who work in corrections!

- Would stress the need to discuss legal issues w/a lawyer. Most local jails don't have in-house counsel + so people try to be "jailhouse lawyers". And after coming here, they may be more likely to think they are experts in these legal issues. I deal w/ this all the time + my office has a lawyer!

Judge Plitt is a wonderful instructor that I have heard over the years. I like how when a question is asked he gives you not only the legal answer but his opinion as well. It keeps it real.

Don Leach (Monday) Lexington, KY	Content A	Quality A
-------------------------------------	--------------	--------------

I have heard Don Leach speak on prior occasions and each time, although I have heard the material before, I take away a piece of information that I didn't hear before. The time it was when he said "If we treated people like they could be our family member, we would run our facilities a little differently".

Carrie Hill (Tuesday, Wednesday) Maple Grove, MN	Content A+	Quality A+
---	---------------	---------------

I ~~think~~ think Carrie could take any subject and make it interesting. She knows her stuff and presents it in a manner that is easy to understand and follow and you can apply what she says to events occurring in your jail. She chooses the more hot topics so that may also be why more questions are asked.

Other Remarks (If Any):

I want to thank you ^{all} for taking the time to educate us year after year. It helps us keep on our "A" game and keep our facilities up to speed. It is also nice to reaffirm that we are doing things correctly. But I truly appreciate these instructors for taking time out of their lives to educate us.
