Instructions: To simplify your evaluation of the program, a linear scale is utilized. Note the two descriptions at each end of the scale; the one at the right for the best rating, and the one at the left for the poorest rating. **Circle the number** you feel is most appropriate. After you have done this, please write in any additional comments that would help us improve the program.

1. General Impressions of Faculty/Speakers

1 2 3 4 5 6
Very poor faculty Very superior faculty

Comments:

Very experienced & knowledgeable faculty on variety of important topics.

2. What Were:

(a) The major strengths of the program?

Variety of subject coverage, excellent faculty and inclusion of video clip examples.

(b) The major weaknesses of the program?

The workbook materials could be better organized by subject together, and by order of presentation in the program.

3. Which Topics Do You Feel Should Have Been Added to or Deleted From the Program?

I would recommend that the legal topic of ICE detainee holds for inmates in custody be covered, are they just optional "requests" or mandatory? CA has now adopted AB 4 "Trust Act" effective 1/1/14 which limits the discretion of local law enforcement with federal immigration officials.
