Comments:

Excellent program - Outstanding speakers. Very well organized and presented. Co-ordination among speakers is excellent.

2. What Were:

(a) The major strengths of the program?

Experience and passion of presenters. Written and electronic research materials provided.

(b) The major weaknesses of the program?

Have updated versions of PowerPoints ready and handed out prior to lecture.

3. Which Topics Do You Feel Should Have Been Added to or Deleted From the Program?

Somewhere in one of the programs or modules should be a discussion of Title VII / EEO issues. (Perhaps Discipline/Internal affairs module is the more appropriate place?)

2. What Were:

(a) The major strengths of the program?

Overall the speakers were at a high level. They stayed on topic and time line.

(b) The major weaknesses of the program?

Leach's presentation was very poor. He has to remember he is talking to high level professionals. We want to know high level information, not score tactics.

3. Which Topics Do You Feel Should Have Been Added to or Deleted From the Program?

Good presentation on Turner (vs) Sailey. Quick pace but refresher on basics.
Thursday morning's use of force presentation was very good.

Don Leach (Mon, Thurs)	Content	Quality
------------------------	---------	---------

Very poor classification presentation. Too much scare tactics and emotional statements not based on research. Talk very little on actuarial risk assessments. What's the research saying about classification? What are the relevant factors?
2nd half of presentation better but he was all over the place.

Richard Hodsdon (Tues, Wed)	Content	Quality

1. General Impressions of Faculty/Speakers

1 2 3 4 5 6
Very poor faculty Very superior faculty

Comments:

all faculty was very knowledgeable of their topics they spoke on.
Very professional and respectful of the audience.

2. What Were:

(a) The major strengths of the program?

The knowledge of the instructors + the information they provided.

(b) The major weaknesses of the program?

The amount of time to cover the topics - especially to cover up + coming areas of liability + lawsuits (medical, use of force.)

Please evaluate the content and quality of instruction by speaker. Please rate them with letter grades, using:
[A = Excellent, B = Very Good, C = Satisfactory, D = Poor].

Peter Marchesi (Mon, Tues, Wed)	Content A	Quality A
---------------------------------	--------------	--------------

enjoyed learning about the different cases that have helped form what we follow now. finding out about the attorney fees, suicidal 'l'm's, myths - ~~how it~~ why its good to get info from all areas why + when 'l'm's will sue. figuring out searches (pat v. Strip v. forced.)

Elmer Dickens (Mon, Tues, Wed)	Content A	Quality A
--------------------------------	--------------	--------------

Appreciated the info on the grievance procedures + litigation once they follow the process. Punishment + Due Process w/ the different stages of 'l'm's. The addressing of mentally ill 'l'm's + the disciplinary process, liked the suggestions to help w/ positive reinforcement. Enjoyed learning about 'reasonable' health care not having to provide 'radical care'.

Carrie Hill (Mon, Tues, Wed, Thurs)	Content A	Quality A
-------------------------------------	--------------	--------------

Very powerful + passionate speaker who knows the content of what she teaches. Makes learning interesting. Presents relevant material to what is in the jails + what we deal with daily.

Don Leach (Mon, Thurs)	Content A	Quality A
------------------------	--------------	--------------

Presents relevant + pertinent info to stuff that goes on in jail every day. makes you realize that the big stuff develops from the little stuff that isnt addressed.

Richard Hodsdon (Tues, Wed)	Content A	Quality A
-----------------------------	--------------	--------------

Glad to learn about the ACA and how it affects 'l'm's. opened up good ways for the jail to see other things that ~~proceder~~ could help w/ funds + budget.

John Peters (Thursday)	Content A	Quality A
------------------------	--------------	--------------

like the way he breaks stuff down into basic understandable terms. Reframeter opens the eyes to look @ everything + don't assume anything. Opens your eyes to other stuff that can happen + why.

Ken Katsaris (Wed, Thurs)	Content A	Quality A
---------------------------	--------------	--------------

loves how she gives a different perspective of what has been discussed. makes you change gears + think of issues in a different way.

Other Remarks (If Any): would it be possible to extend it to 5 days or even 4 1/2 days. Purpose would be for questions (follow up to questions asked between Speakers (or have a ? box) Basee wrap up day.

Peter Marchesi (Mon, Tues, Wed)	Content A-	Quality A-
M- EXCELLENT- and perfectly placed as opener. Got us into mindset of how we got where we are & why. Basic expectations @ Federal Level for suits T- EXCELLENT SEGMENT; ESSENTIAL topic & up to date! W- 2 nd MOST PREFERRED SPEAKER FOR ME. Organized, relevant, good Flow, Knowledge		
Elmer Dickens (Mon, Tues, Wed)	Content B	Quality B
M- Good, good overview on PERA- would like more on the @ institution level of liabilities w/ specific policies grievances etc. (did some, but envision more) T- Good segment; well organized W- This hour could have been condensed or more info added; otherwise good		
Carrie Hill (Mon, Tues, Wed, Thurs)	Content A	Quality A
M- FANTASTIC! ON-POINT, QUICK, CLEARLY WELL VERSED KNOWLEDGE & EXPERTISE T- WOW! Such great energy & entrenched knowledge to discuss on fly any? W- MORE WOW! Impressed w/ your commitment to corr. litigation (good witch status) TH- FANTASTIC- MY MOST USEFUL/NEEDED SEGMENT; great job pacing into hours & getting all in!		
Don Leach (Mon, Thurs)	Content	Quality
M- Good, not sure basic classifications w/ tree etc belongs here. PREFER litigation & risk focus solely BUT he did address this. Suggest cutting the class. "how to" stuff TH- offensive, walked out.		
Richard Hodsdon (Tues, Wed)	Content	Quality
T- Smart, Good segment, good basics refresher & for new attendees like me. W- ACA could have been condensed! Good job with DRY topics ADA- Dry but good, well organized.		
John Peters (Thursday)	Content (TMI) B	Quality C
TH- Once going, good (almost 10 min of promos though! - just provide a flyer!) - obviously VERY knowledgeable on topic. Good organization - might be good if he addresses or is aware of how his stuff might conflict with other ex-supplemental reports good		
Ken Katsaris (Wed, Thurs)	Content D	Quality D
W- a bit of philosophizing more than actual constructive knowledge "why study, why study..." start telling who actual cites & more productive presentation - POOR TIME MGMT - CUT THIS! TH-		
Other Remarks (If Any): Overall, impressed w/ time line (very good mgmt of time!); great food; good music (yes this matters!)

Comments:

Some of the speakers need to be more prepared for their presentation.

2. What Were:

(a) The major strengths of the program?

All of the topics were very good and a necessity for all Jails & Division as well as DOC's

(b) The major weaknesses of the program?

No weaknesses in the program that I could see.

3. Which Topics Do You Feel Should Have Been Added to or Deleted From the Program?

I would not want to see any of the program deleted. However, if it were possible to have the workshop book be more closely related to the actual presentation. Each of the presenters classes were very difficult to follow along.
